---

**ATTENDANCE:** Ayah Isbayene, Reda El Makroum, Dr. Khalid Sendide

## MEETING OBJECTIVES

- **Discuss the GE and EMS Thematic Areas and Approved Electives**
- **Discuss the SGA Advisory Board**

## MEETING MINUTES

- **SGA Advisory Board:** Dr. Sendide is willing to be part of the advisory board of SGA.
- **Thematic Areas**
  - A thematic area in renewable energies is expected to be offered this year, either next spring or the following fall.
  - A thematic area in environmental engineering is also in the works, to be offered in the next two to three years.
  - Students can upgrade their thematic area to a minor level, where they can take electives in their area of choice.
  - Students with a GPA of 3.0 or above are able to take graduate courses to fulfil their thematic area requirements.
- **EGR Approved Electives**
  - Other than students being able to take URP classes as EGR Electives, choices are still very limited.
